Nowadays, every person who wants to be successful in the future should have an ambition or goal to achieve. And I also have <sup>an</sup> ambition to have a profession of travel agent. This job gives wonderful opportunities for learning languages, traveling a lot, meeting different people.

I've dreamed about it ~~from~~ <sup>since</sup> my childhood and I will study well and ~~to~~ will do my best in the university to organize myself for future job.

I've learnt geography and have practiced English at school ~~and~~ have yet.

Also I <sup>have</sup> traveled abroad many times and communicated with foreigners. That's <sup>an</sup> excellent experience, I think. But it's impossible to achieve my goal now because I'm young to get <sup>or</sup> high <sup>er</sup> education.

Fortunately, teachers at school and my parents help me to arrange my ambition with their support and knowledge.
