The Producer is David Heyts

My favorite film is "Harry Potter". Actors are Daniel Radcliffe, Emma Watson and Rupert Grint. The main characters are Harry Potter, Ron Weasley and Hermione Granger. They fight with evil. Volan-De-Mort wants to kill Harry and take his magic. He can't kill him. Harry, Ron and Hermione study at ^{magic school} Hogwarts. They are friends.

This film has amazing costumes and special effects.

My impressions are positive, because this film studies to have great friends and love your family. I recommend to watch this film ^{to other people} because he is about sincere friends.
